Annual Back-to-School Program

Month of July – collecting backpacks and school supplies

Good Sam invites us to participate in the Back-to-School program sponsored by CCSA that provides backpacks and school supplies to children (K-9th grade) from low-income families, who might not otherwise have these essential items for the start of school. Our goal is to assemble 60 backpacks!

There are specific school supplies to contribute or if you would rather donate money, they accept checks made payable to Good Samaritan with "Backpacks" on the memo line.

Donations must be delivered to the church no later than Thursday, July 26th. A collection box labeled "School Supplies" will be inside the main entryway of the Church.
